CONCERN FOR THE POOR

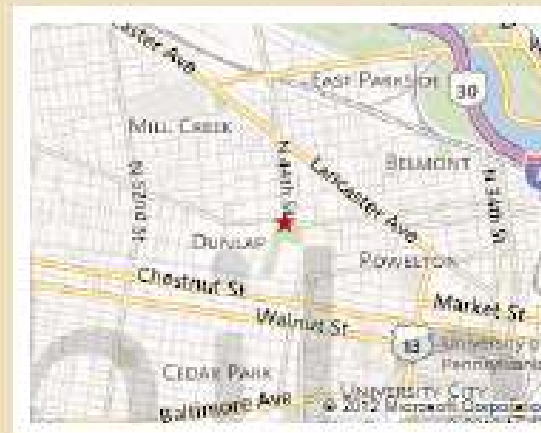

HISTORY

In 1952 St. Ignatius Nursing Home was founded by Monsignor John T. Mitchell, the pastor of St. Ignatius Church. Father Mitchell was a man who cared deeply about his aged and poor parishioners and during visitations found many of them living in deplorable conditions. The present facility, located at 4401 Haverford Avenue, opened in 1971.

On July 1, 1986, sponsorship of the home transferred to the Sisters of the Congregation of St. Felix (Felician Sisters). Now renamed St. Ignatius Nursing & Rehab Center, the Felician Franciscan Sisters and their dedicated staff continue to care for seniors of limited income as part of their sacred mission. Their compassionate healthcare ministry is a tribute to the legacy of Blessed Mary Angela Truszkowska, the Foundress of the Felician Order.
