Celebrating Francis House
A New Felician Franciscan Ministry
Opening in June
Serving West Philadelphia

On Thursday, April 23rd, get ready to have a fabulous night of great food and drink as we celebrate the June opening of Francis House, a new concept of personal care for the low income and frail elderly. The Gala will be held at the beautiful Ballroom at the Ellis Preserve with entertainment provided by *Chico's Vibe*.

We remain committed to our goal of making this fundraiser one you will enjoy so much that you will want to return year after year. There will be no formal dinner with assigned seating, but food and drink will be available at your leisure, allowing you to socialize and enjoy the evening and Silent Auction. You will have a fantastic night out with the added bonus of helping our Felician Franciscan Sisters and staff of St. Ignatius Nursing & Rehab Center in their mission of care for those in need.

*Proceeds from the Gala and Silent Auction
will be used towards the
St. Ignatius Nursing & Rehab Center
Renovation Project and Francis House furnishings.*
